# NICHOLAS A. LANGWORTHY

Representing the 23rd District of New York

Dear Ms. [REDACTED]

Thank you for contacting me to express your concerns regarding the Immigration and Customs Enforcement (ICE) officer-involved shooting. I appreciate the opportunity to respond.

As you know, on January 7, 2026, ICE officers in Minneapolis, Minnesota, were conducting targeted operations when a violent rioter weaponized her vehicle in an attempt to run over law enforcement officers. An ICE officer, fearing for his life, acted in self-defense. Tragically, a life was lost in this incident.

I strongly believe that this tragedy should be thoroughly examined and investigated to ensure all the facts are clear and accountability is upheld. I look forward to officials from the Department of Homeland Security (DHS) testifying before the House Homeland Security Committee on February 10, 2026, so Congress can conduct proper oversight of this use of force.

Additionally, we must work to lower the temperature in Minnesota. I am encouraged that President Trump has sent Tom Homan – who has served under six Presidents, including President Obama and Trump – to lead this effort and help restore safety to our streets. As one of the nation's foremost experts on ICE operations, Tom Homan will work to ensure our immigration laws are enforced peacefully and effectively. Rest assured that as the House continues this investigation into this tragedy, I will keep your thoughts in mind.

Once again, thank you for contacting me about this important issue. Please do not hesitate to reach out with any additional questions, comments, or concerns. My door is always open, and I am honored to serve Western New York and the Southern Tier in Washington.

Sincerely,

**Rep. Nicholas A. Langworthy**
