Representing the 23rd District of New York

Dear Ms. [REDACTED]

Thank you for contacting me to express your concerns regarding the Border Patrol agent-involved shooting. I appreciate the opportunity to respond.

As you know, on January 24, 2026, Border Patrol agents were conducting a targeted operation in Minneapolis, Minnesota. During this operation, an armed individual became involved in the situation, and when agents attempted to disarm him, he resisted. Tragically, a life was lost in this incident.

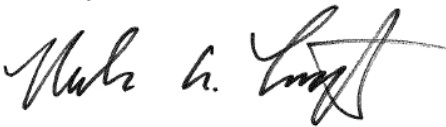

I strongly believe that this recent tragedy in Minnesota must be thoroughly investigated and examined to ensure all the facts are clear and accountability is upheld. I also think Secretary Noem's comments to label Alex Pretti as a domestic terrorist were unfortunate and out of line. I am looking forward to DHS Officials testifying before the House Homeland Security Committee on February 10, 2026. This hearing will allow Congress to conduct proper oversight of recent use-of-force incidents involving DHS officials and consider

potential legislative changes.

Additionally, we must work to lower the temperature in Minnesota. I am encouraged that President Trump has sent Tom Homan – who has served under six Presidents, including Presidents Obama and Trump – to lead this effort and help restore safety to our streets. As one of the nation's foremost experts on ICE operations, Tom Homan will work to ensure our immigration laws are enforced peacefully and effectively. Rest assured that as the House continues this investigation into this tragedy, I will keep your thoughts in mind.

Once again, thank you for contacting me about this important issue. Please do not hesitate to reach out with any additional questions, comments, or concerns. My door is always open, and I am honored to serve Western New York and the Southern Tier in Washington.

Sincerely,

Rep. Nicholas A. Langworthy
Member of Congress
