Dear 

Thank you for contacting me to express your concerns about the release of the Jeffrey Epstein files. I appreciate the opportunity to respond.

I want to begin by stating that Jeffrey Epstein was a disgusting individual, and I support full transparency and accountability regarding the Epstein files. I have never opposed the release of the documents since Epstein's 2019 suicide, and I strongly believe that any individual who has committed crimes – especially crimes against minors – must be prosecuted to the full extent of the law. Furthermore, the Epstein case should never be politicized, and justice for victims must never be used as a political weapon or reduced to a partisan talking point.

To that end, I proudly supported the Epstein Files Transparency Act (H.R. 4405) when this legislation passed the House on November 18, 2025. H.R. 4405 requires the Department of Justice (DOJ) to publish all unclassified records, documents, communications, and investigative materials related to the Epstein investigation and prosecution. On November 19, 2025, President Trump signed this legislation into law.

I understand your concerns with the pace of the release, however it is essential that this process be handled carefully and responsibly, with a strong commitment to protecting survivors. In compliance with H.R. 4405, DOJ attorneys are reviewing materials to make legally required redactions to safeguard victims and have

committed to releasing the remaining files as soon as possible.

Furthermore, as a Member of the House Oversight and Government Reform Committee, one of my top priorities remains releasing these files. To date, our Committee has released approximately 65,000 pages of documents related to this investigation. As our investigation continues, I will keep our shared commitment to protecting children and seeking justice in mind.

Once again, thank you for contacting me about this important issue. Please do not hesitate to reach out with any additional questions, comments, or concerns. My door is always open, and I am honored to serve Western New York and the Southern Tier in Washington.

Sincerely,

Rep. Nicholas A. Langworthy
