Subject: Response from Rep. Nicholas A. Langworthy

To: 

# NICHOLAS A. LANGWORTHY

Representing the 23rd District of New York

Dear 

Thank you for contacting me to express your support for foreign assistance in the Financial Services and General Government and National Security, Department of State, and Related Programs Appropriations Act (H.R. 7006). I appreciate the opportunity to respond.

As you know, H.R. 7006 would provide \$23.35 billion in foreign assistance for global health and humanitarian programs. Specifically, this legislation would provide \$9.41 billion for Global Health Programs to further the goals of the Department of State's America First Global Health Strategy and \$5.5 billion for humanitarian assistance. H.R. 7006 passed the House – with my support – on January 14, 2026, and was signed into law by President Trump on February 3, 2026.

Like you, I recognize that the United States has a lengthy and consistent history of providing aid to foreign countries. I have compassion for individuals around the world who suffer from poverty, conflict, and natural disasters. I proudly supported this legislation because it ensures funds are carefully accounted for and

advance American interests worldwide. Rest assured that should the House consider future legislation related to foreign assistance, I will keep your thoughts in mind.

Once again, thank you for contacting me about this important issue. Please do not hesitate to reach out with any additional questions, comments, or concerns. My door is always open, and I am honored to serve Western New York and the Southern Tier in Washington.

Sincerely,

**Rep. Nicholas A. Langworthy**  
**Member of Congress**
