Thank you for contacting me to express your concerns with the Board of Peace. I appreciate the opportunity to respond.

As you may know, the Board of Peace is an international initiative launched by President Trump that seeks to promote stability, oversee reconstruction, and facilitate peace in conflict zones, beginning with the Gaza Strip and with plans to expand to other regions. Specifically, the member countries will work together to coordinate humanitarian aid, support governance, and help implement ceasefires.

As a strong supporter of the peace through strength mantra, I believe the United States should work with our allies to promote peace and stability worldwide. I trust that President Trump, through this board and other diplomatic channels, will continue to build on his record of achieving peace. In his second term alone, we have seen the collapse of the Maduro regime in Venezuela, the destruction of Iran's nuclear capabilities, an end to the war between Israel and Iran, and a diplomatic resolution to the decades-long conflict between Armenia and Azerbaijan. Rest assured that should the House consider any legislation related to the Board of Peace, I will keep your thoughts in mind.

Once again, thank you for contacting me about this important issue. Please do not hesitate to reach out with any additional questions, comments, or concerns. My door is always open, and I am honored to serve Western New York and the Southern Tier in Washington.

Sincerely,

Rep. Nicholas A. Langworthy
Member of Congress
